

What We Have to Offer

Choosing a service provider for yourself or someone that you love can be extremely overwhelming. At Community Services, Inc. we realize how challenging it can be to make this important decision, and we are devoted to helping you take this step with minimal stress and maximum benefit. It is our goal to ensure that you and your loved one have all the information you need about the services that we provide so that you can make informed decisions that will lead to long-term success.

Why Choose Us?

- CSI has been in business for over 18 years.
- We are a small agency that is locally owned and operated.
- Team leaders maintain good communication with staff members to review and stay on track with clinical service needs.
- We maintain good communication between staff members and those we serve.
- We are well-versed in how the budget and purchase process works.
- We are prepared to work closely with your other providers to ensure services run smoothly.
- Our committed team members are dedicated to providing or securing services that are individualized to meet each person's needs.
- We attend quarterly provider meetings and monthly provider calls to ensure we stay up to date with all regulatory requirements.
- We have a consistent history of performing well on regulatory audits. We have never been required to pay back Medicaid funds as the result of a regulatory review. Additionally, we take pride in the fact that we often do not have any deficiencies at all to correct.

We look forward to working with you!
